

BUILDING A BREATH ALCOHOL IGNITION INTERLOCK PROGRAM

WORKSHOP SPONSORED BY I.A.C.T.

Location: Coeur d'Alene Resort, Coeur d'Alene, ID
Date: April 4, 2019
Time: 1 p.m. – 5 p.m.

Workshop Co-Chairs: Laura Bailey, Director- Office of Alcohol Testing, ADH- PHL (AR)
Kevin Behrens, Director- Board of Tests for Alcohol and Drug
Influence (OK)

Laura Bailey has a Masters in Chemistry from the University of Arkansas- Fayetteville and has been with the Office of Alcohol Testing (OAT) since 2000. OAT is responsible for regulating DWI testing for the State of Arkansas. As Director, Laura oversees breath testing operator training, instrument approval, blood analysis, ignition interlock approval/ monitoring, and offers expert testimony in court. She is a member of the National Safety Council's Alcohol, Drug, and Impairment Division, the International Association for Chemical Testing (IACT), and the Association of Ignition Interlock Program Administrators (AIIPA).

Kevin Behrens has served as the Director of the Board of Tests for Alcohol and Drug Influence since November 2012. He moved to the Oklahoma Highway Safety Office from his position as Assistant General Counsel for the Department of Public Safety, where his practice focused on commercial motor vehicle regulation and enforcement, as well as driver's license revocation proceedings related to DUI arrests. Prior to this, Mr. Behrens practiced civil rights and general defense litigation in private practice and as Assistant Attorney General. He currently serves as chair of the IACT Legal committee and is President of the Association of Ignition Interlock Program Administrators.

Abstract: This workshop will cover aspects of building a successful breath alcohol ignition interlock program. From device evaluation and approval to service center monitoring, presenters will share their experiences in developing a state program. Challenges, successes, and finances will be discussed.

Course Specifics: The course fee includes registration, all course materials, attendance certificate, and breaks. Attendees will be responsible for travel, lodging, and meal expenses.
